ENCLOSURES.....

* Plague -Bellary District - Harpanahalli town improvements to the well near the inspection bungalow revised estimate for Rs.699 .

Ref. G.O.No. 2551 P.H./W.S. dated 21-10-29.

The Government were pleased to sanction in the G.O. noted above an expenditure of Rs.490 for effecting improvements to the well near the inspection baungalow in Harpanahalli town. This amount was found insufficient on account of deviations from the sanctioned estimate found necessary in the course of actual execution of the work. Hard soil for constructing masonry work was met with at a depth of 23 feet from ground level as against 16½ feet provided in the original estimate. The whole-sale excavation necessitated the dismantling of the existing revetment on one side. Besides, several copious springs were tapped and additional expenditure for baling out the water for many days during the plague season -- had to be incurred. The contractor had to work during nights also on some days employing additional labour. All this resulted in an extra expenditure of Rs.209. A revised estimate for Rs.699 has now been submitted by the Revenue Divisional Officer, Hospet, who has check-measured the work and found it to have been satisfactorily executed. I therefore request that the Government will be pleased to sanction the expenditure of Rs.699 during the current year.
